Level 6 This level allows access to the same websites as Level 5, but also allows access to websites that are categorized as **Social Networking** such as Facebook.	☐ Yes Level 6

<u>*Table 1:*</u> *All Filtering Levels are designed to block content of an illegal or pornographic content.*

As Principal I confirm the following on behalf of the school:

1. The school wishes to request a change to content filtering as per Table 1 (above).
2. The school has an appropriate AUP in use regarding content filtering level
3. School Authorities will inform staff and students that Internet and email use will be monitored and that inappropriate use of the service may result in sanction by the school.
4. The school accepts that it has obligations in relation to the provision of the service, in terms of non-abuse of the service, and confirms that it has an Acceptable Use Policy (AUP) in operation in the school and that it complies with the guidelines on School Internet AUP, at https://www.webwise.ie/aup-2/and specifically with reference to supervision of online access.
5. The School understands and accepts the risks associated with using schools broadband at all levels of filtering and accepts that there are increased levels of risk associated with levels 4 to level 6.
6. The School understands and accepts that where a school is engaging in inappropriate online behaviour the Broadband Schools team reserve the right to take whatever actions are required to protect the network and other schools. This may require disconnecting the 'offending school' until the situation is resolved satisfactorily.
7. If a user accesses content which is considered inappropriate, this should be reported to the appropriate staff member or school Principal, as per the schools own AUP. They in turn, may if they wish report the matter to the Broadband Service Desk, though this is not mandatory.
